Workplace Product Range

We are based in the North West. Those words 'Baked in Lancashire' really capture the essence of what Greenhalgh's is all about.

A family business since 1957, Greenhalgh's is steeped in family values, culture and traditions that have been passed down to successive generations and which we are so proud to represent today. Not only do we have a wealth of experience in baking the finest, freshest products but we have "Quality" running through our veins. We also have a reputation as a family and as a team, which we have worked very hard to build and maintain since 1957 right through to today.

Buying Greenhalgh's means purchasing the highest quality - from first class ingredients sourced from reputable suppliers who can provide the freshest, best quality, to the skill of our bakers hand-crafting stunning products on a daily basis, right through to our dependable prompt delivery service, at a price that everyone can enjoy. Greenhalgh's commitment to exceptional Quality and customer service is second to none.

There are currently three mobile shops operating from 7.30am-2.00pm, five days a week, Monday-Friday, which carry a selection of breakfasts and lunch time products.

If you would like to **pre-order** other products from the brochure. You can choose from a whole host of fresh products including our breads, delicious savouries, homemade soups, fresh sandwiches and confectionery products direct to your workplace.

We also offer a range of cold buffet choices for corporate events to working lunches.
